What is a Floaty you say? Think of those pens in which some item floats from one end to the other within the pen barrel - fun and functional for that quirky someone on your list. At Floaty.com, you can order wild items such as the Chihuahua Stripper Pen, where a sexy Chihuahua goes from her black beauty bathing suit to her birthday suit, or classic pens with themes such as tennis, skiing or even fun art featuring Elvis, Betty Boop, Bugs Bunny and friends and every holiday theme you can think of (and some you never knew existed). Pens start at \$3.75 and are great stocking stuffers! Also available are Floaty watches (start at \$10.75), lava lamps (\$42.95) and other crazy accessories.
